Dear Water User:

It appears that you are the present owner of certain water rights on the Provo River, which is part of the Provo River distribution system. Water rights including 55-7085 are assessed annually in order to pay distribution system expenses including River Commissioner and Deputy Commissioner salaries. Enclosed is a copy of your assessment account information. Please expect to receive an assessment notice for approximately \$40.00 in March of 2017. Should you have any questions regarding this assessment please call me at (801) 538-7431.

Regards,
